

# Love Gathering

Little by little, as we follow the four basic principles of the gospel of Jesus Christ, our love gathering will heal us and fill us with God's unwavering love!

1 We demonstrate our faith in God as we kneel down to pray. We remind ourselves of His omniscience and Omnipresence, and calm our spirit as we praise Him.

2 We open the windows of our souls to receive His love as we tell Him the truth about, and take accountability for our thoughts, feelings and behaviors.  
(One honest, humble prayer yields more love than a thousand whining, victimy ones! Be real!)

3 We are made clean by our truth telling (continual baptism of our minds and hearts) and

4 the Holy Ghost will abide in our clean vessels and inspire us to build relationships built on humility and love, no competition.

Then we hear His voice and feel His love as we read holy script with the *intent* to hear and feel His love.

We can listen to and sing heavenly music, taking the Spirit into our cells and memory by pairing God's word and light with music! Truth set to music stays with us throughout the day and throughout our lives!

God's love is mana that needs to be gathered daily, if we want the power to lead with a heart full of love.
